# TIGHTEN THE SAFELY

EQUIPMENT MANUFACTURER  
HYDRAULIC TOOLS

## LIFT YOUR BUSINESS

HYDRAULIC TOOLS & EQUIPMENT MANUFACTURER

# Impact Sockets for Square Drive Hydraulic Torque Wrench

## Impact Sockets for Square Drive Hydraulic Torque Wrench

### Impact Wrench Sockets Features:

Advanced molybdenum steel materials adopted for manufacturing. Standard heat treatment process, life - long warranty.

Manufactured to German specifications (DIN standard 3121&3129).

What shows below is the metric sleeve size, which can be customized with Drive Impact Socket.

British system or various specifications of non-standard sleeve.

Application: Mining and resource development  
Automotive manufacturing and repair  
Power engineering, technology, and services

Sample: Contact us for free samples
